## **HONOURS BA THEATRE**

Welcome to centre stage! From practice to theory, from performance to reception, the Department of Theatre explores all aspects of theatrical events and prepares you for a life of creative expression and intellectual stimulation. We teach acting, directing, playwriting, arts administration, dramaturgy, theatre history, production, technical theatre and design as well as theory and aesthetics. When it comes to practice, opportunities abound: the Department boasts two major theatre companies and three student companies producing up to thirty original productions a season.

This program is offered in English and in French.
